COUNCIL REQUESTS $3,400 OVER BUDGET

The Council on Aging members met with the Mattapoisett Board of Selectmen to state that their group needs an additional $3400. over their budget to get them through the year. Paul Kelley told Selectmen that this sum will barely get them by. They said that there is only $1,600. left in their budget, that they need $1,000. for rent of the Legion Hall, $600. for bus and miscellaneous expenses, $2,500. for the pay for the bus driver and $460. for the Nutritional Program. Senior members of the Council again expressed dissatisfaction with the way the bus is being used exclusively for the transportation of people to the lunch. It was stated that the bus is used to take an average of 7 or 8 people to lunch while 700 to 800 people never have the opportunity to use the bus for the purpose of trips or transportation to clinics, etc. They said that efforts are under way to see if FISH will be willing to transport the lunch people two days a week to free the bus for the use of the other elders to take trips since this was one of the express purposes for which it was purchased.

The Board of Selectmen assured the Council that it will set up a meeting with the Finance Committee to explain the gap between the budget and the need and request additional money.

FIRE CHIEF OFFERS 195 PLAN

Fire Chief Paul Bradley appeared before Selectmen to present a plan by the Mattapoisett Fire Engineers to cover I-195 fire calls both eastbound and westbound in the directions of Marion and Fairhaven. Selectman William Hubbard expressed opposition to this plan. Hubbard, who was in on the 3-town agreement, said that Fairhaven, Mattapoisett and Marion had set up a division of responsibility for 195 coverage so that they could divide both the responsibility and the cost of responding to 195 emergencies. Mattapoisett, in this agreement, is responsible for coverage eastbound to Marion and westbound to Fairhaven. Fairhaven responds to Mattapoisett westbound and Marion responds to Mattapoisett eastbound. Selectmen Hubbard asked, "Why should Mattapoisett take individual action outside this agreement and cover in both directions from Marion to Fairhaven?" He said that, if Mattapoisett assumed all of the coverage he failed to see why the other towns need to cover the 195 route at all. "Why," he asked, "should Mattapoisett pay for all of the coverage?" Chief Bradley said that accident reports from the scene of accidents

are frequently garbled so that eastbound is reported as westbound and vice versa. He said that his interest is to see that emergencies are covered. (CB radio reports are frequently the first reports and are confused as to direction.) Bradley agreed that a 3-town meeting on the subject would be the best approach before any change. Bradley said that he wants the duty truck only to roll in response to a 195 call and Selectmen agreed.

WRITTEN OBJECTION TO EJECTION

Chief Bradley presented the Board of Selectmen with a written charge the Police Chief, Alfred Faria, had verbally ejected Bradley from the Town Control Center using abusive language. Bradley had entered the Control Center to post a notice concerning calls from 195 to the Fire Department. The duty officer at the desk referred the Fire Chief to the Police Chief and the exchange occurred, according to Chief Bradley. Civil Defense Director Paul Kelley said that the Control Center is not the exclusive domain of the Police Department but that it is the nerve center for all town emergency calls. He said that, because the police man the desk, it does not work in that manner. Mr. Kelley suggested that the town seriously consider a return to the original procedure and man the control center with civilians. Kelley said that on a previous occasion he had been ejected from the control center under both physical and verbal motivation.

Chairman R. William Blasdale after reading Bradley's letter aloud and hearing the statements stated that any discussion would be improper without Chief Faria present and said that a meeting of the Chiefs with the Board

Acting on the advice of the Shellfish Warden the Board of Selectmen has opened the area from stone pier west toward Rycroft Point for the taking of quahogs. The area east from stone pier to Eel Pond Creek remains closed.

Dr. Clayton King has been appointed to serve on the Mattapoisett Industrial Committee.

SHIPYARD PARK CONTRACT LET

The contract to erect a split rail fence to replace the present fence at Shipyard Park has been awarded to the New Bedford Wire and Iron Works.

REQUEST MEETING ROOM

Selectmen voted to allow Plymouth County Commissioners to meet in the Town Hall Conference Room when they make an advance appointment for its use. This is in response to the Plymouth County request.

PINBALL REQUEST DISCUSSED

Bradley Taber of Fairhaven who will shortly open a delicatessen in the building formerly Frank's Package Store, explained to Selectmen that he plans a basic restaurant operation with family type dining. He said that he has requested amusement machines to entertain customers as they dine. He wants to install 5 table machines, 2 pinball machines, jaws and air hockey type machines. The Selectmen expressed their desire to see that an amusement center is not created that will attract an undesirable element. Chairman Blasdale said that he had mixed emotions concerning table machines but could see the reason for the request. Taber asked for a trial period and said that he wants no undesirable element and would himself expel the machines if it developed.

The Selectmen said they want more time to consider the matter and want to meet with Town Counsel Donald Fleming concerning the legal implications and obligations of any trial period should such coin machine license be granted.

sett sewer system together with a progress report to date. This letter is in response to a telephone conversation from Mr. Blasdale to the E.P.A. office in Boston to determine their requirements in order to avoid delay on the sewer project.

Tighe & Bond has also written a detailed letter to the same E.P.A. office in response to a possible delay caused by the E.P.A. auditors' objection to the engineers' profit margin of 20% which auditors feel should be 15%. Tighe & Bond stated that it is positive that this figure is both reasonable and competitive. They feel that if the contract is changed that they have a right to renegotiate and are positive that the cost will be substantially higher - possibly 20% higher. The Tighe & Bond letter states that the E.P.A. has spent 3 months, June, July and August, working on contract submittals and that, during that period, construction costs of the project have escalated at least $50,000.00 (.83% per month). They stated that something is wrong with the judgement of the E.P.A. office when they will spend $50,000 to get in a position to argue $4,122 (5% of the engineers' profit) particularly when renegotiation will raise the cost of engineering by $10,000.00 or $20,000.00.

Mattapoisett School Committee

At its regular monthly meeting, September 13th, the Mattapoisett School Committee received a report showing that work is virtually completed on the relocatable classrooms and an occupancy permit has been issued. Of the Town article for $115,000, total expenditures were $113,223 and $1,777 is being returned to Town E & D Funds. The Committee thanks the taxpayers on behalf of the school children for their favorable action at last Spring's town meeting.

The Committee received a report from Dr. Kunces concerning disposal of school property. All school personnel have been informed that only the School Committee can declare items surplus and only the Selectmen can determine their final disposition.

The Committee voted 2-0 to endorse the pending proposal at the ORR School District with regard to the one man-one vote concept. Gannon abstained, stating that he preferred to hear the matter discussed at a town meeting.

The rules for students riding school buses were approved.

At the request of Mrs. Hoyt, representing the Parent-Teachers' Club, the Committee endorsed a reception for its new principal, Mr. Reed, at Old Hammondtown, September 24th at 7:30 P.M.

ANNUAL MEETING AT MYC

The annual meeting of the Mattapoisett Yacht Club was held Sunday afternoon, September 5th, at the clubhouse, following the conclusion of the day-long Special Labor Day Races.

It began with a social hour, then shifted to the business of the day, the Commodore presiding. The reports of the secretary, the treasurer, and the chairman of the nominating committee were accepted as read. Dr. Phillip Mc Carthy, chairman of the nominating committee, submitted the slate of flag officers for the coming year: Commodore, Harvey Pentleton; Vice Commodore, Anne Donald; Rear Commodore, David Jenney; Secretary, Henry C. Young. Treasurer, Peter Briggs; at large, Maurice F. Downey and W. Edgar Cornish.

MYC accepted with regret the resignation of Berthold Putman who has served for the last six years competently in the immeasurably vital post of treasurer. We are indeed grateful for his untiring dedication, wise planning and sound fiscal policies that have guided us through these past difficult years.

The presentation of certificates, flags and awards concluded the session.

In the Sailing Training Program, the Dr. L. F. Potter Memorial Trophy (the sportsmanship award) went to Brendan McCarthy; the Lucy Agnault Award for scholarship to John Jenney; the award for best racer to Matthew Downey.

Participants in the Special Labor Day races had the opportunity to vie for two trophies: the Charles H. Whalen Memorial Trophy to be awarded to the winning yacht in the Cruising Class Race, and the H. C. Broadwater Memorial Trophy to be awarded to the top place Beetle Cat in Beetle Cat Open, the latter presented this season for the first time. Skippers Fred Klein and David Jenney were the recipients.

Winners in the Series categories were: 1) Junior Series, July - Faith Jenney; August - Tricia McCarthy; 2) Senior Saturday Series, July - Harvey Pentleton; August - David Jenney; 3) Evening Series - John Cornish.

Rochester Seniors

The meeting of the Senior Citizens' Club was held at Camp Snipatuit on Monday, September 13th. The program began with a picnic and a variety of sports and games at 11 A.M. The business meeting was held at 1 P.M. with Mrs. Irene George presiding.

Members received birthday gift cards from Thelma Dion, hospitality chairman. She also reported on flowers and cards sent to members who had been ill during July and August.

During the business session, Edna York, Evelyn Leonard, Clara Rock and Edward Pierce were accepted as new members.

Following the meeting, refreshments were served by Margaret Hall and Louise Leger. We are deeply grateful to Miss Hall for her hospitality.

It was a beautiful day for the outing with members enjoying the activities at the campsite. It certainly was a delightful spot for our first Fall meeting.

The next meeting will be held on Tuesday,

MASTER INSTALLED

Dennis Sylvia was installed Master of the Mattapoisett Grange last Thursday night by Gilbert Collins and suite. No voting could be done due to a lack of a quorum.

Reports were given by the master on the Fair and a report was given on the square dance held during the summer by William Smith. Also was a report on the cookbook project the National Grange Bicentennial Committee is putting out all over the nation. Mrs. LeBaron who is selling them for Mattapoisett Grange can't keep ahead with the books. She is on the third shipment and has very few left. Another order will go in this week. They will not be on sale after December 31, 1976.

The Worthy Master reported donations are still coming in and people will be pleased to see action on the Grange Hall by Mr. Rocha.

Little League Banquet

LITTLE LEAGUE BANQUET HELD

Good weather was the key in making this year's Little League Banquet a big success. The banquet was held Sunday, September 12, at the Holy Ghost Grounds in Mattapoisett. Shortly after 12 noon a total of about 300 Little Leaguers and their families had arrived. Families brought a wide variety of salads, hot dishes and desserts while some coaches and parents were kept busy cooking hot dogs and toasting buns in an assembly line fashion.

Awards were next on the agenda with the manager of the first place Browns, Bonn Xavier, receiving the League Trophy, from Sheila Gregoire, which had been held by the Greens for the last 3 years. The Browns were then awarded individual trophies. Graduating Browns received their jackets. Mr. Xavier, who was also the manager of the All Star Team, award-

....To Prevent Needless Deaths

CARDIOPULMONARY RESUSCITATION has increased chances of long-term survival for people whose hearts stop out of hospital from 11 percent to 25 percent in one city.

What You Can Do

HEART ATTACKS

You can help increase the chances of a heart attack victim's survival.

How? By learning a relatively simple A-B-C procedure called cardiopulmonary resuscitation (CPR). It consists of one or two people aiding a heart attack victim by (A) opening the airway, (B) maintaining breathing, and (C) maintaining circulation. The national standards, as published in "The Journal of the American Medical Association" more than two years ago, recommend that all Americans age 13 and up learn CPR. Training courses, which take only a handful of hours, are widely available through the American Heart Association, Red Cross, some YMCAs, hospitals, fire departments and others.

Here's an example of how CPR helps save lives. Five years ago Seattle, Washington, embarked on a program to improve its emergency medical services; citizen CPR was a major component. So far, 100,000 citizens have learned CPR in that city. Before Seattle's program began, 11 percent of people whose hearts stopped out of hospital lived to become long-term survivors. Today that figure is 25 percent.

Information on CPR, as well as a free-loan CPR motivational film "A Life In Your Hands", featuring Burt Lancaster, is available from the ACT Foundation, a non-profit organization supported by a number of leading Pharmaceutical manufacturers dedicated to establishing and improving emergency medical systems. Write to ACT, 350 Grove Street, Bridgewater, New Jersey 08807.

ed them patches. Patches are something new this year and will probably continue in the future instead of trophies. Bruce Baggarly, the manager of the second place team, the Blues, was introduced and after an interesting description of many on his team gave out jackets. The manager of the Rochester Royals, Jerry Carreau, brought a good laugh when he informed everyone that his team was really #1, "it's just that the Browns and the Blues cheat a lot", he explained. The Royals will also be receiving jackets. Paul Levine gave out jackets to the Greens since Manager George Haymaker was involved with football. About 15 boys missed a good banquet due to the start of the football season. The Wanderers received their jackets from Manager Merritt LaPlante who gave a well deserved introduction to Ted Cormier, the manager of the Jets. Teddy, a New Bedford resident, introduced his assistants and gave out jackets to his graduating Little Leaguers. Teddy was also the manager for the 9 & 10 year old Junior All Stars who each received a patch which they will eventually sew on their jackets.

A "Basket of Cheer" was won by Paul Le Blanc. Sports gift certificates were won by Debra LaPlante and Brendan MacDonald.

A lot of comments were made that this was the best banquet yet and hoped that it would be continued in the same fashion every year.

A big thank you to everyone who helped with Little League and with the banquet.

300th Birthday, 1979

With the Bicentennial year drawing to a close, the Rochester Historical Society immediately swung into action planning the celebration of the 300th anniversary of the founding of Old Rochester. The Society was appointed by the Selectmen to plan the festivities, and has already put into circulation the "Rochester 300" bumper sticker seen on more and more cars these days.

Next on the agenda is a Commemorative Plate due to be delivered in time for Christmas giving.

The plate is 7 inches in diameter and bears the lovely official Town Seal, enlarged to entirely fill the surface and printed in antique blue. It will be gift boxed and a plate hanger to fit will be available at a small additional charge.

Pre-delivery orders are now being taken, and those orders will be delivered the first week in December or very soon thereafter.

You may phone or write your order to: Mrs. Richard Besse, North Avenue, Rochester, 763-8838; Mrs. James Gurney, 763-5531; or Mrs. Donald Jenkins, New Bedford Road, 763-2225.

Mattapoisett, Marion and Wareham residents: This celebration is for you, too. Rochester is the "Mother Town", as your towns were part of the original and broke away after the founding and the later incorporation.

A January meeting has been planned, at which time Rochester organizations will be invited to volunteer for the various phases of the celebration. Shortly thereafter the "daughter towns" will be invited to coordinate their events with ours, making July 1979 a full and complete celebration for us all.

Bicentennial Quilts Exhibit

The largest exhibit of town quilts will be shown exclusively at the Carver Public Library on October 16 and 17.

Featured in the exhibit will be England's Friendship quilt made at the American Museum in Great Britain. This will be its debut in this country before traveling to the Smithsonian Institute.

Among the award-winning quilts to be displayed will be "Stearns & Foster 13 Colonies"; the Boston 200 winners; and the Massachusetts Federation of Women's Club Craft Fairs.

Representing Massachusetts will be quilts from: Acushnet, Brewster, Carver, Concord, Duxbury, Cotuit, Chelmsford, East Bridgewater, Fall River, Holbrook, Lakeville, Millis, Milton, Marshfield, Middleboro, Matta-

Youth Hockey

Rochester Youth Hockey enjoyed another weekend with additional skaters signing up for what looks like the biggest season ever in the Suburban Youth Hockey Association.

The practice sessions are going smoothly with turn-outs for each division resulting in the necessary expansion of the Mite, Squirt, and Midget Divisions to 2 teams. Rochester Youth Hockey will field 10 teams with 2 teams in each of the 5 divisions.

Registration is still open for those people wishing to sign up from Marion, Mattapoisett and Rochester. Either call 758-6958 or be at the Stephan Hetland Rink on Saturdays from 4 to 10 P.M. or Mondays 7 to 9 P.M., when RYHA skates. Personnel will be available to sign up those people still wishing to participate in a fine hockey program, or coaches may be contacted.

For those children who are registered in the Clinic on Sunday, would you contact the coach in the respective division listed below so that you are listed on a team roster, if you have not signed up in RYHA.

Elderly Nutrition

A lot of exciting things are going on at the Elderly Nutrition Program these days. Not only are we building close relationships with all our regular participants but every day we are pleased to see another new face interested in learning what this program is all about.

Last September 9 we were able to have our second picnic in Mattapoisett. Thanks to the courtesy of John Souza and other members of the Holy Ghost Club we were offered the use of the facilities for that day.

The afternoon was sunny and warm attributing to outdoor singing, followed by lunch, then bingo indoors.

We encourage and welcome all Mattapoisett seniors to join us. Twice a month bingo will be offered so if you care to test your luck on that day we'll be seeing you.

Please call and make your reservations soon. 999-2931 Ext. 305.

YMCA Events

The YMCA of Greater New Bedford will begin the Fall season of programs on Monday, October 4th.

Many programs are planned to attract the varied interests of the people in the communities served by the "Y". A program brochure is available to explain the following synopsis of the YMCA programs in full detail.

Men's fitness classes are ready to go on Monday, Wednesday and Friday at 12:00 Noon, 5:15 P.M. or 7:30 P.M. Women's fitness classes meet on Monday, Wednesday and Friday at 9:30 A.M. and 10:30 A.M. as well as Tuesday and Thursday evenings at 7:30 P.M. A medical clearance from a doctor is required of all men wanting to participate in any "Y" fitness class. Women are also advised to be examined by a doctor prior to joining any fitness class; however, this is not a requirement as it is for the men.

If you ski you should consider a fitness program to prepare yourself for this vigorous activity. The YMCA's Ski-Fitness program meets on Monday, Wednesday and Friday at 6:45-7:30 P.M. This course is designed to improve your physical condition thus making skiing easier and more enjoyable. Early season injuries are less likely if you hit the slopes in shape.

Do you have a bad back? Millions of Americans do! Many can be helped through a safe, structured program to slowly and methodically strengthen your back. The course meets on Monday, Wednesday and Friday at 8:30-9:00 P.M. It is the Y's way to a healthy back.

Learn to reserve your energy and channel it properly through Yoga. This course meets on Monday at 10:00 A.M. or Tuesday at 7 P.M.

Crime in the streets is a national concern. Developing your self-defense capabilities instills self-confidence and self-respect and is one facet of the possible solution. The Y's Judo course combines the sport aspect of Judo and the self-defense capabilities of Jiu-Jitsu. The course meets on Monday at 7:00-8:30 P.M.

A Karate course will also be offered on Tuesday at 7:30-9:00 P.M. for those who want

Swimming lessons and gym classes for children 6 months to 5 1/2 years of age will also start on October 4. Many classes are offered in the morning or afternoon. Some of them meet twice a week; some meet once a week. Some require parent participation; some are taught by the Y's specially trained instructors.

A gym program for children with learning disabilities will meet on Tuesday for children ages 6-9; Thursday for children ages 10-12. Both classes meet at 4:00-4:30 P.M. These classes will be taught with and without apparatus and geared to develop coordination, confidence and skill.

ANNUAL CRANBERRY FESTIVAL AND FAIR

It's an annual event now -- The Cranberry Festival that started out four years ago as a small benefit for the local Boy Scouts when George Bartholomew, owner of Edaville Railroad in Carver, Mass., agreed to turn over the proceeds of one day to the Moby Dick Council.

Now, it has grown into a two-day event (September 25th and 26th) this year, and is well on its way to becoming a major Massachusetts tourist attraction.

During the festival you can take in all of the regular Edaville Railroad attractions, of course, including the 5 1/2 mile ride on the famous Edaville narrow gauge railroad which will take you right by the cranberry bogs where this year's cranberry harvest will be taking place.

In addition, many special events have been planned for this weekend. There will be musical groups and band concerts both days and appearances by area radio and TV personalities. Demonstrations of all kinds from Karate to Indian dancing will be going on.

In the food department, you'll be able to savor the cranberry. An old fashioned corn roast goes on all day long as well as a bake sale with homemade items prepared by Scouts and other local baking talent.

The children can visit Edaville's petting zoo or make friends with the clowns and Walt

This year the word "Fair" has been added to the festival and there will be traditional 4-H exhibits, scouting booths as well as many working craftsmen from the area demonstrating their skills. More fun comes with the tug-of-war, a dunking machine, and a mammoth pie eating contest. It's really quite a show.

Admission to the Festival will be charged which includes a ride on the Edaville Railroad, plus admission to the Railroadiana Museum and Zoo. However, the tickets are half-priced if purchased in advance. To do so, write to the Moby Dick Council, Boy Scouts of America, 39 Grove Street, New Bedford, Mass. 02740, or call 993-9978 or 678-2858.
